Welcome Message

It is a great honour to invite you to the second meeting of the Egyptian society of skull base surgery (ESSBS).

A major goal of this meeting is to advance the interdisciplinary scientific relationships in the field of skull base surgery.

The scientific program is carefully designed to incorporate a broad spectrum of topics, prepared to benefit both the experienced and the non experienced physicians.

Badr Eldin Mostafa, MD

Conference Scientific Committee

Ahmed Khashaba, MD

Amr Hegab, MD

Tarek Lotfy, MD

09:00-10:00 Registration

10: 00-11:45 Session I:

Chairpersons: Professor Samir El-Mola, Professor Maged El-Shinawy, Professor Ahmed Salem

10:00-10:15 Opening

10:15-10:30 SKULL BASE SURGERY: THE COURAGE TO EXPLORE "NO MAN'S LAND"

Mohamed M.K. Badr-El-Dine

Department of Otolaryngology, Alexandria university

10:30-10:45 ENDOSCOPIC MANAGEMENT OF ADVANCED NASOPHARYNGEAL ANGIOFIBROMA

Hossam El-Bosraty

Department of Otolaryngology, Cairo University

10:45-11:00 LEARNING CURVE IN ENDOSCOPIC SKULL BASE SURGERY

Tarek Lotfy

Department of Neurosurgery, Ain Shams University

11:00-11:15 ENDOSCOPIC APPROACH TO THE PTERYGOPALATINE FOSSA

Mahmoud El-Tarabishi

Department of Otolaryngology, Ain Shams University

11:15-11:30 ENDOSCOPIC ENDONASAL APPROACH FOR ANTERIOR SKULL BASE MENINGIOMA

Isabella Esposito,

Neurosurgeon, Italy

11:30-11:45 Discussion

11:45- 12:30 Coffee Break

- 12:30- 14:15 Session II:**
Chairpersons: Professor Adel El-Hakim, Professor Mamdouh El-Gohary, Professor Yousri El-Adawy
- 12:30-12:45 STATE OF THE ART IMAGING OF SKULL BASE LESIONS
Maha Hussein
Department of Radiology, Ain Shams University
- 12:45-13:00 CRANIAL BASE INVASION BY MALIGNANT SINONASAL TUMORS
Ahmed Eldaly
Department of Otolaryngology, Alexandria University
- 13:00-13:15 MANAGEMENT OF CYSTIC CRANIOPHARYNGIOMA BY STEROTACTIC INSERTION OF INTRACYSTIC ACCESS DEVICE
Ashraf El-Abiad
Department of Neurosurgery, Ain Shams University
- 13:15-13:30 LATERAL APPROACH TO THE ANTERIOR AND MIDDLE CRANIAL BASE
Ahmed Khashaba
Department of Otolaryngology, Military Academy
- 13:30-13:45 AESTHETIC ALTERATION OF DEFORMITIES INVOLVING ANTERIOR CRANIAL BASE BY CRANIOFACIAL MODALITIES
Amir El-Barbary
Department of Plastic Surgery, Ain Shams University
- 13:45-14:00 FACIAL NERVE MANAGEMENT IN LATERAL SKULL BASE SURGERY
Ahmed Omran
Department of Otolaryngology, Alexandria university
- 14:00-14:15 Discussion & Adjourn
- 14:15-15:30 Lunch**

Egyptian Society of Skull Base Surgery

President
